

**BLUE OR BLACK INK ONLY WAPPINGERS CENTRAL SCHOOL DISTRICT  
HOME TEACHING WEEKLY PAYROLL FORM**

**\$32.80/HR  
2021-2022**

**PROCEDURE:**

1. Please submit your forms on a **WEEKLY** basis, by Friday, P.M. to the District Office. Note that payment can only be made if your signed form has been received at least **ten days** prior to the payroll date.
2. Please be advised that **this form will NOT be processed for payment unless completed correctly and completely; it will be returned.**
3. Home teacher's signature requested below attests to the actual amount of **instructional contact time**, which **must be rounded off to the nearest ¼ hour. Exact start and end times must be reported.** Travel time and preparation time are **not** to be included in calculations of instructional time. A **minimum of 10 minutes of travel time** must be taken into account when traveling between students, unless students are located in the same building.
4. **Parents are asked to corroborate the exact amount of instructional time spent by co-signing this report.** If teaching is conducted somewhere other than the student's home, (e.g., the public library), a responsible adult (such as the librarian) should sign in place of the parent.
5. Elementary students (grades 1-5) receive 5 hours/week; secondary students (grades 6-12) receive 10 hours/week of home teaching. Any changes must include administrative approval and a note of explanation.
6. If student misses his/her appointment once, without giving advanced notice, the home teacher must call prior to traveling to the student's home or place of instruction before each session to confirm the student's availability on that day/time. Failure to do so will result in no pay for the home instructor for that session. **No shows and missed sessions will be compensated only at the rate of one half hour.**
7. Home Teachers follow Substitute Teachers Pay Schedule. Please refer to pay schedule for days which are included in each pay date at [www.wcsdny.org](http://www.wcsdny.org)
