All new students seeking enrollment in the Wappingers Central School District must provide proper documentation and/or information to establish residency.

The following is documentation that may be used to establish residency (**Note: This is not intended to be an exhaustive list, and the District may consider other documentation and/or information, as appropriate**):

- A copy of a residential lease or proof of ownership of a home, such as a deed or a mortgage statement.
- A notarized or signed statement by a third-party landlord, owner or tenant from whom the parent(s), guardian(s) or person(s) in parental relation leases or with whom they share property within the District.
- Other forms of documentation include:
 - Pay Stubs

Proof of Age

In accordance with the NYS Education Law, the District requires documentation verifying your child’s age. Acceptable documentation may include a birth certificate or record of baptism, including a certified transcript of a foreign birth certificate or record of baptism. When this information is unavailable, the District may accept a passport, including a foreign passport, to determine the child’s age. If the previously listed documentation is not available, the District may consider the following documents or recorded evidence if in existence two (2) or more years, except an affidavit of age, to determine a child’s age:

Documentation Relating to Legal Custody and Special Circumstances

If there are any other special circumstances such as custody agreements or orders of protection, please submit those documents to us. They will be copied and filed in the student’s records. The schools cannot refuse to release a child to a parent/legal guardian unless there are court documents on file with the District to the contrary.

Proof of Health Examination & Immunizations

In accordance with the Commissioner’s Regulations, students entering public school at any grade are required to have a satisfactory health examination conducted no more than 12 months before the first day of the school year in question. If an acceptable health certificate is not provided within 30 days, the District’s physician will conduct the examination. The District does not require a health certificate if they or their parents object claiming a conflict with their genuine and sincere religious beliefs. This exemption request must be in writing and supporting documentation provided.

Immunization records or documentation of exemption are also required for every student entering or attending public schools in accordance with New York State Public Health Law. The Public Health Law allows for a limited period of attendance for 14 days without proof of immunization, upon a showing that the student is making a good faith effort to obtain the necessary immunizations and/or documentation verifying the immunizations. “(Note: when the child is transferring from another state or country, the 14-day period may be extended to not more than 30 days). Please refer to the next page for the schedule of immunizations required of students.

Warning: Any person or persons, who willfully provide false information regarding residence, may be subject to criminal penalties. A false statement regarding residence or entitlement to a tuition-free education from the Wappingers Central School District may be punishable as a Class A misdemeanor. In addition, if it is determined that a registrant’s child resides outside of the Wappingers Central School District, the District may take legal action to collect tuition charges. The tuition of \$9,495.00 (Regular Ed. K-6); \$10,324.00 (Regular Ed. 7-12); \$35,090.00 (Special Ed. K-6); \$35,919.00 (Special Ed. 7-12) per child per year if the student is not legally entitled to receive a tuition-free education from the District. School Health Services

New York State Law, as well as local regulations, strictly outlines the rules that schools must follow concerning medication administered in school.

The overall guideline is that such dispensing of medication must be kept to a minimum; therefore, it is administered only with specific written physician's order and only when deemed necessary to be given during school hours.

Nurses are required to follow these regulations:

1. The nurse should administer medication only as necessary.
2. Instructions for administering medication must be in writing from the physician and include:
 - a. The name of the student
 - b. Medical condition of the student
 - c. The name of the medication
 - d. The medication dosage and time the medication is to be given
 - e. A list of possible side effects
3. A Parent Permission form must be filled out by the parent/guardian.
4. Medication **MUST** be brought to the school by the parent/guardian. It may **NOT** be sent to the school with the student. All medication **MUST** be in a properly labeled original container.
5. New prescriptions and physician's orders are required at the beginning of each school year.
6. All unused medication must be picked up by the parent/guardian within 7 days after it is no longer needed or it will be disposed of.
7. All prescribed medications will be kept in a locked cabinet and dispensed only by authorized personnel.
8. If, at any time, the physician wishes to change the dosage, he/she must submit this request in writing.
 - a. A verbal or telephone request/order from the physician or parent is not acceptable.
9. Special guidelines apply to field trips. Contact the school nurse for specific information.
10. The term "medications" is a broad one referring to both prescription and non-prescription (over-the-counter) drugs and treatments.

WCSD Bus Transportation to and from a Babysitter or Day Care 2021-2022 School Year

Students in grades K-8 are eligible for bus transportation to or from a babysitter or day care location. A student may be transported to or from the location of a child care provider if the student's legal residence and the child care provider's location are both located within the boundaries of the District.

Parents must request child care transportation no later than **April 1st** of the current school year for the **2021-2022** school year. Child care requests must be filed every year, even if there is no change to your student's child care provider. **Forms are not carried over from year to year.**

Day care facilities registered under Section 390 of the New York State Department of Social Services are entitled to transportation to and from day care centers within the Wappingers Central School District, provided the application is received by the April 1st deadline. Requests received after the April 1st deadline will be considered a late file and you may not get the bus stop you request.

ALL bus routing is completed by the time school starts. For your child's safety, the bus driver, teacher, school and Transportation Department need to know your child's proper bus and bus stop. For this reason, all alternate transportation requests for the start of the school year must be processed by **August 15th**. Late requests made after this date will not be processed until after **September 30th** **AND there may not be a bus available to and/or from your chosen day care provider.**

***PLEASE NOTE that the pandemic has affected these dates due to Governor's Executive Orders. The District will provide updates as new information is available.**

Babysitter locations **NOT** licensed or registered under Section 390 of the New York State Department of Social Services **are restricted to the attendance zone of the school the child attends.**

Day care locations must be set up for **five (5) days a week in and/or out.** Otherwise, a daily note to school is required, and **only to or from an existing** stop on an existing route.

Childcare Transportation Request Forms are available in each school's Main Office and on our Transportation Website. Please fill out one form per student and return it to your child's school. The Principal or his/her designee must sign the form. Main Office

personnel will send it to the Transportation Office to be processed. Please allow five (5) days for processing once we receive it. Any time a change is made, a new form must be submitted to school.

If you are new to the District, you must go to our Central Registrar to register your child before transportation can be arranged. For families who become district residents after April 1st, a transportation request should be submitted within thirty (30) days of establishing district residency.

As part of these services, the District may provide staff and students with access to district computer-based devices and related services. The access to or use of district devices is intended for the purposes of education, school business, school operations, teaching, learning, and duties. This includes, but is not limited to: the Internet, including online services and electronic communications; hardware, such as computers; software; networks; information systems; electronic/digital files; and store of data/information.

The Board of Education's policies and procedures regarding the acceptable use of district computer systems place an obligation on both the district and the students and staff that use its technology. (The Board's computer use policies are in part 4526 of the district's Policy Manual. The entire manual is on the BoardDocs part of the district's website [<http://www.boarddocs.com/ny/wcsd/Board.nsf>]. The district makes no warranties of any kind, either expressed or implied, for the district devices or the access provided. Furthermore, the District assumes no responsibility for the quality, availability, accuracy, nature, or reliability of the material or information provided on district devices.

Acceptable use of district devices is for the purpose relating to a user's status with the District. This guideline does not attempt to articulate all acceptable uses of district devices and related services. In addition, it is not the intention of this guideline to define all inappropriate usage. Staff should direct their questions to the Office of Technology, Testing, and Assessment.

The Internet and World Wide Web provide valuable connectivity and access to information. In terms of employees creating web pages, this should be done in collaboration with your school's Principal, supervisor, or designee. Employees are encouraged to use the many tools now available to create helpful and relevant web pages as part of their school or District's website. Every employee should proof read all content for appropriateness, spelling, and grammar. Adherence to the FERPA and Copyright regulations are required. Sound practices relating to teacher, classroom, team, department, school or District websites and web content are to be followed.

The use of a District account is a privilege, not a right, and misuse will result in the restriction or cancellation of the account. Misuse may also lead to disciplinary and/or legal action for both students and employees, including but not limited to, suspension, expulsion, dismissal from District employment, or criminal prosecution by government authorities. The District will attempt to tailor any disciplinary action to the specific issues related to each violation.
