

WCSD Bus Transportation to and from a Babysitter or Daycare for the 2016-2017 School Year

Students in Grades K-8 are eligible for bus transportation to or from a Babysitter or Daycare location. A student may be transported to or from the location of a child care provider if the student's legal residence and the Child Care provider's location are both located within the boundaries of the District.

Parents must request child care transportation no later than April 1st of the current school year for the 2016 - 2017 school year. Child Care requests must be filed every year, even if there is no change to your student's Child Care provider. Forms are not carried over from year to year.

Daycare facilities registered under Section 390 of the New York State Dept. of Social Services are entitled to transportation to and from Daycare centers within the Wappingers Central School District, provided the application is received by the April 1st deadline. Requests received after the April 1st deadline will be considered a late file and you may not get the bus stop you request. Any requests received after August 15th will be held for processing until after September 30th, meaning you will not have babysitter or daycare transportation set up for the month of September.

Babysitter locations NOT licensed or registered under Section 390 of the NYS Dept. of Social Services are restricted to the attendance zone of the school the child attends.

Daycare locations must be set up for five (5) days a week in and/or out. Otherwise a daily note to school is required, and only to or from an existing stop.

Childcare Transportation Request Forms are available in each school's Main Office and on our Transportation Website. Please fill out one form per student and return it to your child's school. The Principal or his/her designee must sign the form. Main Office personnel will send it to the Transportation Office to be processed. Please allow five (5) days for processing. Any time a change is made, a new form must be submitted to school.

If you are new to the District, you must go to our Central Registrar to register your child before transportation can be arranged. For families who become district residents after April 1st, a transportation request should be submitted within thirty (30) days of establishing district residency.

Central Registration is located at the WCSD District Office, 25 Corporate Park Drive, Hopewell Junction, NY 12533. Call ahead for an appointment at (845) 298-5000, ext.

40132. Please bring two (2) proofs of residency to your scheduled appointment.

IMPORTANT

NEW FOR THE 2016 – 2017 SCHOOL YEAR

Daycare and Babysitter transportation forms received after August 15th will not be processed until after September 30th. The safety of transporting our students (close to 12,000 in all!) is top priority. Late daycare requests cause unnecessary confusion during the first weeks of school which puts children at risk. If you haven't turned your request in on time, your student will be transported to and from school on their assigned neighborhood bus until notified by the Transportation Dept.
