College Planning

ADMISSIONS & FINANCIAL AID: WHAT IT TAKES TO GET INTO COLLEGE TODAY
Stephanie Mauro, CCPS
In this seminar, you will learn what it takes to get into college today including the financial aid system and how it works; how to maximize a student’s potential to receive scholarships, grants, & forms of merit-aid; the importance of the SAT & ACT tests and how colleges value them; and what the more selective colleges really want to see on a student’s application. You’ll be shown a timeline for success for where you should start in the college planning process and how it’s possible to attend a private college for a public college price. Don’t miss this informative seminar! Two dates to choose from.

Health & Fitness

YOGA FOR ALL
Sandee Parker
Yoga is for everyone, both young and old. One reason is because yoga is a stress attacker. With physical movement and breath exercises combined, one learns to balance emotions and strengthen the body. Yoga is the essence of a body-mind experience. It frees you from the stress of daily life, and the physical movement of yoga keeps your body flexible and strong. This class will focus on the seven main energy centers of the body, or chakras. By balancing the chakras, we bring the body into its' complete potential. Bring a mat and water. No class 10/14 & 11/11.

MEDITATION FOR BEGINNERS
Tina Grover
Do you suffer from stress or anxiety? Do you feel like you can never relax your body or mind? Meditation is an ancient practice that is known to improve your mental, physical and spiritual well-being. Most people feel they don’t know how to sit still and relax their mind and body in order to meditate, but it’s easier than you think. In this course, we start with learning how to breathe to relax, and when we’re finished, you will know different types of meditation, and how easy meditation can fit into your daily life. Try the first class for FREE on 9/26!

PLANT-BASED NUTRITION: LET YOUR FOOD DO ALL THE WORK
Dr. Padma Garvey
With mounting evidence, the American Medical Association came out in May 2017 with a recommendation that all hospitals must provide patients with the diet proven to be the healthiest...a plant-based diet. There is no reason not to be eating the healthiest diet all the time. Learn about the scientific studies that have shown how effective a plant-based diet is in reversing heart disease and diabetes, and in decreasing your risk of certain common cancers. In addition, this course will show you how to see through false advertising and marketing ploys that confuse people about what to eat. You will also learn how to plan and cook meals and make a plant-based lifestyle a way of life.

INTRODUCTION TO VOICE OVERS
Voices for All

“Wow, you have a great voice!” Have you heard that more times than you can count? Or maybe you listen to your favorite audiobooks, commercials, or cartoon characters & think, “I could do that!” If so, then you could have what it takes to begin working as a professional Voiceover Artist. Explore the voiceover industry with your instructor, a professional, working voice actor from the voice acting training company, Voices for All, in a one-on-one, personalized, video chat affordable for just about anyone to get involved. In this one-time, 90 minute, introductory class, you’ll also learn about the different types of voiceovers and the tools you’ll need to find success. And then...we’re rolling! Your instructor will record you as you read a real script, then offer you some coaching so you can improve your delivery. Your instructor will take notes on your performance so you can receive a professional voiceover evaluation later. After the class, you will have the knowledge necessary to help you decide if this is something you’d like to pursue. Check out the video at http://www.voicesforall.com/ooo to get a better sense of how the class works. 18 and over please. You owe it to yourself to finally explore the possibilities of this fun & rewarding job! Register through Wappingers Continuing and you can then set up your personal video conference with Voices for All.
