

## Science National Honor Society

### RCK Chapter

#### What is the Science National Honor Society?

The Science National Honor Society (SNHS) is a prestigious organization that recognizes and encourages scientific and intellectual thought among high school students. Our RCK Chapter is dedicated to: Promoting scientific knowledge, Encouraging scientific thinking, & Recognizing academic achievement in science.

#### Why Join?

- Enhance your college applications - Participate in exciting science projects - Meet like-minded peers who love science - Contribute to our school and community

#### Membership Requirements

1. Members must be enrolled in a science course
2. Members must have and maintain a 75% across all classes and an 88% across all sciences (both unweighted)
3. Members must have taken an Honors level science course ***before*** 11th grade (H Bio or H Earth Science)
4. Members must be taking a second-year science course before or during their 12th grade year (This will include R/H Chemistry or R/H Physics)
5. Members must be taking an upper-level science course during their 12th grade year (This will include any science AP, Chemistry/Physics if the other was taken during 11th grade, Human Anatomy, Forensics, Science Research, Marine Science, or Astronomy.)

#### Activities and Opportunities

- Science fairs and competitions - Guest speaker events - Field trips to research facilities  
- Community service projects - Tutoring younger students in science
