# District Wide Security Vestibules Project

Smart School Bond Act Project Funding: 100%.

13 of the District's 14 school buildings will receive new vestibules. Wappingers Jr. HS will received new glazing in existing doors at the Entrance Vestibule.

Existing entrance doors and sidelights will be re-glazed with security glazing.

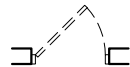

New entrance doors and sidelights will be installed to create new vestibules.

Eight Vestibules will be constructed at the interior of the existing lobbies.

Five Schools will have new vestibules constructed at the exterior of the existing lobbies: RC Ketcham HS, John Jay HS, Fiskill, James Evans and Sheafe Road ES.

The Existing Visitor Management System will be re-used.
