The use of a Chromebook is a privilege extended to students for use inside and outside of school. - Students will use Chromebooks in the classroom when instructed to do so by a teacher.
- Chromebooks will be fully charged at home for the start of the school day.
- Inappropriate media may not be used as a background on your device. For example, language or images that advocate violence, use of weapons, alcohol, drugs, depict lewd, obscene and/or sexual content, or any other inappropriate symbols/images/pictures will result in disciplinary consequence.
- Chromebooks must remain free of any writing or drawings on the surface of the device.
- Chromebooks must never be left unsupervised.
- Power cords and adapters should be left at home.
- Check to make sure nothing is placed in-between the keyboard and screen when the Chromebook is shut.
- Chromebook screens may be cleaned with a soft, dry cloth, but never with any harsh chemicals or rough material that could damage the screen.
- Web browsing is for educational/school purposes only. Whenever a student logs into any Chromebook with his or her Wappingers Central School District G Suite account, it will be web filtered and monitored by Wappingers Central School District cloud filtering system.
- Sound must be muted at all times at school unless permission is obtained from the teacher for instructional purposes. Headphones may be used with teacher approval.
- In your classroom, carry your Chromebook with the lid closed using two hands.

- No food or drinks are allowed near the Chromebook.
