This is the report you need to transfer the percent scores to Schootool.

Also, you can click on quick links to see the Assessment and Item Analysis reports.

NOTE:
For all subjects where the pre and post-tests questions were **created by the district and uploaded to Acuity** you will need a hard copy of the test to see the items.

For grades 3-8 Math and ELA the items are viewable when you click on the Item Analysis Report in Acuity.
