

Welcome to the Wappingers Central School District!

Our district spans 120 square miles and includes 15 school buildings, serving nearly 11,000 K-12 students. We enjoy robust support from the local business community and benefit from educational partnerships with several highly-regarded local colleges.

This brochure offers an overview of several vital tools that will help you stay connected. Our District website provides many resources and important information, as do our individual school websites. We suggest investing some time reviewing both our District website at wappingersschools.org and your child's school's website, which can be accessed easily from the District site.

If you have suggestions to help us improve your experience, please email us at wcsd.pr@wcsdny.org.

GET INFORMED, STAY CONNECTED

The Wappingers Central School District strives for educational excellence each and every day. Sharing information with our families and students is a key to our success. We invite you to use the various tools available: you can check report cards, register for sports, set preferences for how we can contact you, and much more.

Visit our website, wappingersschools.org, for more information and to access these tools. If you have any questions, please don't hesitate to contact your child's school for assistance.

FOR STUDENT INFORMATION: PARENT PORTAL

The **Parent Portal** tool offers secure online access to your child's records: emergency contacts, attendance, schedules, progress reports, report cards, grades and more.

To Sign Up: For security reasons, you must visit the main office of your child's school and present a valid Photo ID that shows your current home address. You must also provide a valid email address (required for all Parent Portal Accounts). You will receive an email within several days that contains a password.

To make updates to an already-existing account, please contact your child's school. If you need other assistance, please email Parent Portal at parent.portal@wcsdny.org (7:30-4, M-F)

FOR REGISTRATIONS: FAMILYID

Instead of paper forms, the District uses **FamilyID** to process registrations for all schools' sports, events, and Continuing Education classes. FamilyID now also includes Advanced Placement (AP) Exam registration. Families with children in more than one school have access to all of them in one place. See details under the **Parent Resources** tab on our website, or visit FamilyID.com to create an account.

FOR MESSAGES FROM THE DISTRICT: BLACKBOARD CONNECT

The District uses **Blackboard Connect** to communicate regarding attendance, delays and closings, upcoming events, and building- or district-wide emergencies. You will receive your parent ID and password when you register your child in our schools. You may customize your notification preferences and add additional contact details to the system.

You may select any combination of email, text messages and phone calls that best fit your needs and you may unsubscribe at any time. However please note that unsubscribing will stop ALL notifications to your account.

Notifications will be automatically sent to you using the contact information you provided at the time of registration.

FOR INFORMATION ABOUT EVENTS: SCHOOL WEBSITES

WCSD is dedicated to providing all students with broad and rigorous academic programs and a variety of unique experiences to help them grow and develop as individuals. Programs include music, arts, athletics, field trips, and a variety of clubs. Visit your school's website often to learn more.

FOR MOBILE ACCESS: GET OUR APP

Get District news in the palm of your hand with the free WCSD mobile app. Simply search for Wappingers Central School District on iTunes or Google Play.

Follow us on social media:
@WCSDEmpowers

The mission of the Wappingers Central School District is to **empower** all of our students with the competencies and confidence to **challenge** themselves, to pursue their passions, and to realize their potential while **growing** as responsible members of their community.
