A Checklist for Working Parents of Kids with Keys

1. Do your children know their full name; their address, including ZIP code, phone number and area code: and how to place a collect call? Do they know your full name, the exact name of your workplace and your work number?
 Yes NO
2. Do your children know how to use push-button and dial phones to reach the operator or report an emergency? Do you have emergency numbers (doctor, dentist, ambulance, fire and police departments near the phone)?
 Yes NO
3. Do your children know to put their house key in a safe place and out of sight?
 Yes NO
4. Do your children know what to do if they think they are being followed, if someone is behaving strangely, if there are signs of forced entry into your home or if they hear strange noises in the house?
 Yes NO
5. Have you taught your children to check in with you, a relative, a friend or a neighbor when they have arrived home? Does your child have a trusted and reliable contact person in the neighborhood?
 Yes NO
6. Have you discussed child abuse with your children and the importance of talking to you about situations that make them feel uncomfortable, frightened or confused?
 Yes NO
