

Wappingers Continuing Education presents

# Games & Fitness- Winter/Spring 2024

## at Oak Grove Elementary

This after school program for students in grades 1 through 6 will focus on games, health, and fitness. Students will participate in the same games used in our physical education program. Activities will include floor hockey, handball, Jump Rope, climbing ropes, and more! All games are designed to be fun, but will incorporate skill development and improve student health and physical fitness. Students will report to the gym at dismissal time. Parents must pick up students promptly at 4:30 p.m. as there is no district transportation provided. If the district cancels after school activities, dismisses early, or there is a snow day, make-up days will be added on Wednesdays in May.
