Camp will be held at Oak Grove Elementary School, and students will participate in some of the games that Mrs. Turpin-Orgetas, PE teacher at Oak Grove, uses on a daily basis in her physical education program. These include mat ball, touch football, variation of tag games, ga-ga ball, battleship, climbing ropes, capture the flag, volleyball, tennis, basketball, soccer, and many more games. All activities are designed to be fun, but will also improve each student's level of health and fitness. Activities will be in the gymnasium, outside, cafe and outside weather permitting. Camp will be held Monday, Tuesday, Wednesday of the spring break. Students who attend should bring a snack & a drink.

***We will have 7th - 9th graders volunteer to run fun stations.***
