November 12, 2020

Dear Griffin Parent or Guardian,

Typically, we conduct our “Shelter” Go Home Drill (Reunification) the day before Thanksgiving recess. This year we are presented with some unique challenges since the drills need to be conducted in duplicate. Therefore, the Shelter “Go-Home” Drill this year will be conducted over the following two dates:

Tuesday, November 24: Cohort A
Thursday, December 3: Cohort B

Both Cohort A students and Cohort B students will be divided into two separate groups to allow for social distancing. At the signal, students will first “shelter” momentarily in the hall and then be released to their buses. Dismissal is scheduled as usual for approximately 11:45 am. Parents who are picking up their children should arrive no earlier than 11:45 am. Buses will depart at their usual times.

Thank you for your support.

Respectfully,

Dr. Steven H. Shuchat, Principal
Van Wyck Junior High School
