Buddy-Up Group

Transitioning into a new school is always a fun and exciting adventure. But it can also be very hard and confusing. The school counseling office has put together a group to help new students make their transition into Van Wyck a bit smoother. Our new students will be meeting with a seasoned Van Wyck student "a buddy" and touring the building. With the help of a buddy they will get a better understanding of their schedules, changing of classes, have someone to walk the hallways with, have a friendly face to sit with at lunch, and have someone give them a sense of what life is like here at Van Wyck Junior High!

If your child is a returning Van Wyck student and is interested in being a Buddy for the Buddy-Up Group please fill out the permission slip below and return it to the school counseling office as soon as possible. This is a great way to volunteer and show leadership!

If you have any questions about our Buddy-Up Group please contact Mrs. Smith at 227-1700 X 20010.
