Dear Parents/Guardians:

The School Counseling Office is offering the following groups for our students:

Loss of a Loved One
Divorce
Organization and Study Skills

Groups are a positive way for students to express their feelings in a safe environment. When students work in groups with their peers they begin to feel that they are not alone in their struggles. The students are very helpful to one another by discussing each of their own coping skills or strategies. This is a great way for students to gain support from peers as well as the counselors that will be working with them.

The school counselors will be running these groups in a safe and confidential setting. The group will have a flexible running time in order to work around student schedules and will meet once a week for 5 weeks. If you and your child are interested in one of the above groups please fill out the permission slip below and return it to the School Counseling Office. If you have any questions regarding the group please call us at 227-1700 X 20008.

Thank you,
Mrs. Bogen
Mrs. Parker
Mrs. Smith
