May, 2020

Dear Parents and Guardians of the Kindergarten Class of 2020-2021,

WELCOME to Myers Corners Elementary School and Team Myers. Our team consists of parents, teachers, students, teaching assistants, monitors, nurse, cafeteria workers, secretaries, custodians, psychologist, social worker, PTA, assistant principal and myself, Ms. Sydney Goldstein, your Principal. When you drive into Myers Corners Elementary School you might comment how long our school appears to be. However, once inside, you will see that the grade levels are grouped together making many smaller learning communities. Thus, we have established a culture whereby we are able to individually address the needs of each student in smaller area settings.

We strive to make every child feel special. When our students arrive in the morning a team of educators greet the students bidding them Good Morning. A team of educators are on the bus line at the end of the day to assist students and to see the buses off. In the rear of the school another team of educators greet the students who are driven to school. Kindergarten at Myers is an exciting experience for your child. When your child enters kindergarten, in addition to reading, writing, math, science and social studies, your child will enjoy art, music, physical education and library classes. Myers is an English as a New Language School and also a center for special education classes and services. Throughout the school year, our students become involved with concerts, sports events, spirit week, plays, Halloween parade and other activities. Myers has a very active PTA that works closely with the administration and teachers to further enrich experiences for your child. We encourage you to join our PTA.

The health, safety and security of your child is of paramount importance. Our school nurse is an integral part of our team and has the opportunity to know all of our students. Myers Corners Elementary School's front lobby is monitored and we respectfully request that you bring identification when asking to enter the building.

Once again, welcome and feel assured that we are very excited to have the opportunity to provide an exemplary education for your child.

Now that you know a few things about us, we ask to learn more about your child. Here is a link for the survey: <https://forms.gle/BtQkp7S7PGxUgLnM9>

Sincerely,

Sydney Goldstein,
Principal
