- Students of **all grades** are invited to participate in the Talent Show. Only Oak Grove students may participate in the show.
- The show is limited to 25 acts. **We will accept students by order of permission slips submitted.**
- Permission slips must be submitted **online only**.
- For all rehearsals **except full-dress rehearsal**, students will report to the Cafetorium at dismissal.
- Please notify by email/text if you require an early pickup time.
- Each performance shall be **no longer than 3 minutes long**.
- Music should be appropriate for all ages and will be monitored closely.
- We will not have duplication of songs. You may be asked to change your song.
- Each student may participate in one act only.
- The piano and gym mats will be available for use during all acts.
- If a student is singing along to music, we prefer to use a "karaoke" version so the audience can hear the performer. Please send a recording or link by email before rehearsals.
- Each participant of the Talent Show is expected to stay for the entire show. It is disrespectful and disruptive to the children that are on stage should anyone leave.
- Parents (except for volunteers) will not be permitted in the Cafetorium during any of the rehearsals. **Please wait in the lobby when you arrive for pick up.**
- The **snow date** for the show is Thursday, March 6.
- **We need someone to volunteer to be next year's Talent Show chair, or this will be the last Talent Show.** They will shadow this year and run it starting next year. Contact naseer@gmail.com if you are interested.

Thank you in advance for your patience and cooperation. We look forward to another wonderful evening of memories.
